STATEMENT OF REASONS FOR ALLOWANCE**

Dear Sir:

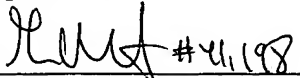

Applicant has reviewed the Examiner's Statement of Reasons for Allowance contained in the Notice of Allowability mailed on October 10, 2007, and wishes to submit the following remarks. The Statement is somewhat unclear in that, as reasons for allowance of independent claim 3, the Statement paraphrases limitations from independent claim 1. The Statement then notes that independent claims 1 and 5 are allowable under "the rationale and rejection for claim1."

Applicant wishes to point out that each of the independent claims 1, 3 and 5 claims stands on its own merits and the actual language recited therein, and is patentable because of the combination it recites and not because of the presence or absence of any one particular element. Moreover, dependent claims 2, 4 and 6 recite limitations which, in combination with their base claims, render the dependent claims allowable. Entry of the Statement into the record should not be construed as any agreement with or acquiescence in the reasoning stated therein.

Otherwise, Applicant agrees with the Statement that the allowed claims distinguish over the prior art.

Dated: December 31, 2007

Respectfully submitted,
